

Sneha Reddy

Senior Frontend Engineer - Bengaluru

6 years of experience building high-traffic e-commerce storefronts on Next.js

Skills: TypeScript, JavaScript, React, Next.js, CSS, Tailwind CSS, HTML, Figma

Experience:

Senior Frontend Engineer at ShopEasy Jan 2022 to Present

Architected the component library used by 15 teams. Built high-traffic e-commerce storefronts on Next.js serving 500K daily users.

Led migration from JavaScript to TypeScript across 40 repositories.

Frontend Developer at WebCraft Jun 2019 to Dec 2021

Developed responsive dashboards with React and TypeScript.

Implemented Razorpay checkout integration handling 50K transactions monthly.

Built reusable UI components with Tailwind CSS.

Junior Developer at TechStart Jul 2018 to May 2019

Used JavaScript HTML and CSS for web development.

Learned React and built internal tools. Used Figma for design collaboration.
